And later during the interview, the Executive Chairman of the Ayn Rand Institute, Dr. Yaron Brook offers up his in-depth look at President Obama's and President's Trump's governing styles. This year, Brook and Watkins released a new book, ***Equal Is Unfair: America’s Misguided Fight Against Income Inequality***, a book that shows the real key to making America a freer, fairer, more prosperous nation is to protect and celebrate the pursuit of success—not pull down the high fliers in the name of equality. Brook is also contributing author to ***Neoconservatism: An Obituary for an Idea, Winning the Unwinnable War: America’s Self-Crippled Response to Islamic Totalitarianism*** and ***Big Tent: The Story of the Conservative Revolution — As Told by the Thinkers and Doers Who Made It Happen***.
